## **GENERAL INSTRUCTIONS**

Prospective authors must electronically submit the self-contained paper with figures and tables via the conference submission page (https://expo.itri.org.tw/2026DAT/Submission) before November 16, 2025 (23:59 GMT+8).

- The submitted manuscript must be either 2 or 4 pages in length, including references, double-columned, IEEE-style compatible, in PDF format only. Any submissions not adhering to the rules will be rejected immediately without review.
- Before submitting your abstract/paper, please review the information on IEEE Intellectual Property Rights at https://www.ieee.org/publications/rights/index.html
- The review process will be double-blind.
  - Please do NOT reveal any authors' information (names, affiliations, email, grant information, personal acknowledgment, etc.) anywhere in the initial manuscript. You must also ensure that the metadata in the PDF does not include such information.
  - All references, including authors' previous work, should be referred as 3rd-persons' works. E.g., you should use "This paper presents a new method to improve XXX's approach [1]." Instead of "This paper presents a new method to improve our previous approach [1]." Do NOT omit or anonymize references for blind review.
  - The initial manuscript violating the double-blind review policy will be rejected.
- Accepted papers **MUST** be presented **in person** by one of the authors at the symposium, and the presentation must be conducted in English. All accepted manuscripts in the proceeding will be published in IEEE Xplore.
- Any changes on the title or author list or withdrawal after acceptance must be approved by DAT Program Chairs.
- One Regular Registration- Covering The Expenses for Paper Presentation & Publication:
  One author registration will cover the publication expenses of up to two accepted papers. In the case no registration has been received and correctly processed to cover the paper publication, the symposium organizers will contact the authors before the paper is removed from the proceedings.
- No-show papers will not be included in the symposium proceedings and will not be submitted to the IEEE Xplore database.
- Please refer to the detailed information on the conference website for authors: https://expo.itri.org.tw/2026VLSITSA
